Learn advocacy strategies for your child's right to a quality education.

## RATES

Blog Post - \$550.00

Facebook Post - \$125.00

Tweet - \$175.00

Instagram Post - \$125.00

## CHRISTINE GOULBOURNE

In our blended Puerto Rican and Jamaican family, we have a 30-year-old daughter who blessed us with a 2-year-old grand princess, an intelligent 17-year-old son on the autism spectrum, and a 14-year-old star athlete son.

I'm passionate about training special needs parents to be actively involved and advocate for their child's right to be educated and included.
