

Good-Bye Grandma Dona,  
I'll always love you.

I would visit Grandma's house all the time.

She always gave me fun toys to play with.

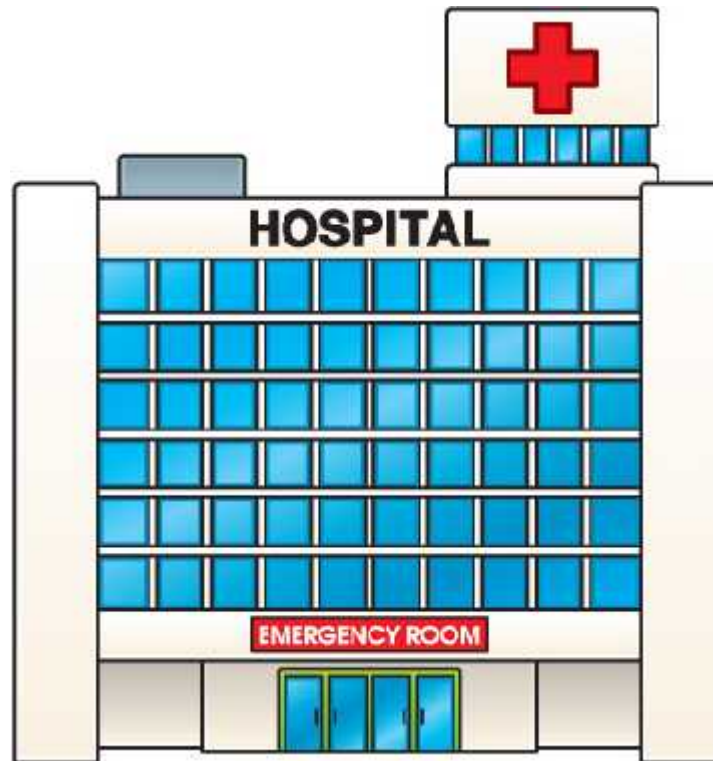

She loved me very much.

One day, Grandma got very sick.

She was in the hospital for many days.

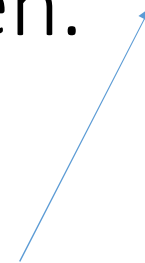

Then, her heart stopped.  
It didn't work anymore.

Grandma died and went to heaven.

People will be sad and crying because they will miss her.

I won't visit her anymore, but I can still see her in pictures.

I can remember all the fun times  
we had together.

I will always love Grandma.
